

ONLINE SCIENCE ASSEMBLY TWO 'You are never alone' worksheet

"Do not be afraid, for I am with you. Do not be discouraged, for I am your God. I will strengthen you and help you. I will hold you up with my victorious right hand." *Isaiah 41:10*

What things do you find tricky, hard or scary?

The worksheet contains five empty speech bubble shapes for writing answers. They are arranged as follows: one at the top right, one on the left side, one in the center, one at the bottom left, and one at the bottom right.

Next time you are finding something hard, try asking God to help you.
Who else can help when things are hard?

Experiment

For the 'hold me up' experiment you will need a hairdryer and a ping pong ball and ask a grown up's permission. Turn on the hairdryer, and using the cold setting, point the air stream upwards. Hold the ping pong ball in the air stream and gently let go of it. Once the ping pong ball is floating in mid air, try tilting the hairdryer slightly and see what happens!

We would love to hear about your experiment, so please email us at assemblies@lifeandsoul.org.uk you could even send us a short video.
